

RESOLUTION NO. 1124

**A RESOLUTION OF THE BOARD OF COMMISSIONERS TO
CLOSE IRRIGATION RATE 1007 TO NEW APPLICANTS**

The Public Utility District No. 1 of Kittitas County offers multiple rate schedules for Residential, Commercial, Irrigation, Unmetered and Distributed Generation customers. The District is a full requirements customer of the Bonneville Power Administration.

WHEREAS the District engaged with EES Consulting to complete a cost-of-service analysis (COSA) in 2021. Reviews of the COSA and proposed rate changes were discussed in six open public meetings; and

WHEREAS the District desires to obtain demand metering for all irrigation rate classes but minimize the rate impact to existing non-demand small irrigation customers.

NOW, THEREFORE, BE IT RESOLVED that the Commissioners of Kittitas County Public Utility District No. 1 hereby close rate schedule 1007 to new applicants and adopt the attached irrigation rate sheet with an effective start date of December 1, 2021.

IN WITNESS WHEREOF, the undersigned, being all the members of the Board of Commissioners of Kittitas County Public Utility District No. 1 have executed this Resolution of the Board of Commissioners on this 30th day of November 2021.

IRRIGATION RATE SCHEDULES

Availability:

This schedule is available in all territory served by the District for irrigation purposes. All motor or pump load must have motor-starting equipment approved by the District. Services connected hereunder are subject to the established rules and regulations of the District.

Available Irrigation Rates:

- 1008 Irrigation – 1 Phase, 120/240 Volt, 200 to 800 Amp
- 1009 Irrigation – 3 Phase, 120/208, 240/480, 277/480 Volt, 200 Amp and smaller
- 1010 Large Irrigation – 3 Phase, 120/208, 240/480, 277/480 Volt, greater than 200A

Monthly Rate:

The monthly billing shall be the greater of: (i) the sum of the Facility Charge, Energy Charge and Demand Charge; or (ii) the Minimum Charge. Charges are calculated on a “per meter” basis. Each retail meter or billing installation shall be individually subject to the below charges.

Schedule	Facility Charge (\$/Month)	Energy Delivered (\$/kwh)	Demand (\$/KW)	Minimum Charge (\$/Month)
1008	\$25.50	\$0.0845	\$6.60	\$25.50
1009	\$38.00	\$0.0845	\$6.60	\$38.00
1010	\$38.00	\$0.0845	\$6.60	\$38.00

Determination of Billing Demand:

The billing demand shall be equal to the maximum average kilowatt load used by the consumer for any 15-minute during the billing period.

Power Factor:

The customer agrees to maintain unity power factor as nearly as practicable. The power factor charge is a demand adjustment which applies to three phase connections when power factor is metered below 95% for a billing period.

Legacy Irrigation Rates:

The rate schedule below is **no longer available for connections after December 1, 2021**. Allowable installations in this rate schedule were intended for motors and pumps 7.5 horsepower and smaller. The existing installations utilize “non-demand” metering and shall be changed to the appropriate rate schedule if “demand” metering is established.

- 1007 Small Irrigation – 1 Phase, 120/240 Volt, 320 Amp and smaller

Schedule	Facility Charge (\$/Month)	Energy Delivered (\$/kwh)	Demand (\$/KW)	Minimum Charge (\$/Month)
1007	\$25.50	\$0.0982	\$0.00	\$25.50

IRRIGATION RATE SCHEDULES

Limitations of Liability:

Notwithstanding any other provision of the Customer Service Documents, neither the Customer nor the District will be liable under or pursuant to the Customer Service Documents for indirect, incidental, special, exemplary, punitive or consequential damages, including but not limited to damages for lost profits, revenues or benefits, loss of use of property, cost of capital, cost of purchased or replacement power or (except only as and to the extent otherwise expressly provided in a Customer Contract) claims for service interruption, even if such Party has been advised of the possibility or existence of such damages.

Tax Additions:

The above rates are subject to proportional increases to compensate for any gross revenue tax imposed by any municipal body or other governmental body having jurisdiction upon the PUD.

Terms of Payment:

Payable upon receipt. Bills unpaid after the due date will be charged interest at the rate of 1% monthly.
