Agreement

As an authorized representative of _____, which is a qualified Kittitas PUD customer, I certify that the above named customer will not proceed with this project until written acceptance has been received from Kittitas PUD. On behalf of the above named customer, I have read and understand the Kittitas PUD Energy Efficiency Lighting Program terms and conditions and agree to abide by those requirements. I certify that the information on this application is true and correct to the best of my knowledge.

Agreement & Certification

- ◆ Customer's company shall indemnify and hold harmless Kittitas PUD, and any of their agents or employees, from any special, indirect, incidental, or consequential damages arising out of or in connection with participation in this program.
- ◆ Customer's company understands that it is the sole responsibility of the program participant or authorized representative to obtain building and electrical permits, inspections and approvals when law requires them.
- ◆ Customer's company certifies that they meet the program *Eligibility Requirements* and that the information within this agreement is true and correct to the best of their knowledge.
- ◆ Customer's company certifies that they have read and understand the project requirements listed in the *Energy Efficiency Lighting Program Specifications for Lighting Installation or specifications for other project technologies*, these *Terms and Conditions* and the *Agreement*.
- ◆ Customer's company understands that participation in this program is subject to the acceptance of this application by Kittitas PUD and that Kittitas PUD makes specific commitments only through a written notice of acceptance.
- ◆ Customer's company understands that they must complete project(s), provide copies of invoices, pass a Kittitas PUD inspection, and be approved by BPA as a prerequisite to receiving a rebate. Customer will also provide in writing a statement identifying disposal method of lamps and ballast.
- ◆ Customer's company understands that any changes to this agreement must be in writing and approved by Kittitas PUD.
- ◆ Kittitas PUD reports energy savings to the Bonneville Power Administration (BPA) for this program. The BPA chooses a small percentage of projects to re-inspect and the customer shall allow access of completed project(s) if selected.
